To Our Patients:

In our efforts to continuously improve our patient service and office efficiency, you will be asked for a credit card number at the time of check in. That information will be held securely until your insurance has paid their portion and have notified both you and us of how much, if any, is your portion. A statement will be mailed to you regarding any remaining balance. If a balance becomes delinquent, the credit card will be charged to avoid the collections process.

This will be an advantage to you because you will no longer have to write out and mail us a check. It will be an advantage to us as well because it will greatly decrease the number of statements that we have to generate and send out. The combination will benefit everybody in helping keep down the cost of health care.

Much like when you check into a Hotel or Rent a Car, you are asked for a Credit Card, which is imprinted and later used to pay your bill. This will in no way compromise your ability to dispute a charge or question your insurance company's determination of payment.

If you have any questions about this payment method, please do not hesitate to ask.

Sincerely yours,

Dr. Michael P. Fishman, D.P.M
Dr. Dina N. Casparro, D.P.M.
